

How Does She Do It?

A PANEL AND SUPER NETWORKING EVENT

Get ready for the event of the year where you will get to find out how women at the top of their game (not just in business, but in all facets of life) are getting things done and taking care of themselves, others, and achieving dreams! We'll ask and learn things like...

- What's your biggest strength and how you use it?
- How do you stay productive?
- What's your daily schedule juggling multiple "lives"?
- Best tips, rituals and habits?
- What was the moment you were most brave?
- What time do you get up in the morning?
- What are you reading? What book has impacted you most in your life?

...and so much more. These questions are just the tip of the iceberg! Your host Kimberly DuBrul will be using her best questioning skills to allow the jewels of wisdom that each of these women have to share to come out in a big way. You, too, will have the opportunity to ask questions. Come to be inspired and to connect! See how your unique gifts and talents are just that... YOURS! And how each of these women embraces who they are too and puts their unique gifts and talents into action. **Learn more:** tinyurl.com/HowDoesSheDoItFacebookEvent
